

The Basic Caruso

five exercises by Markus Stockhausen

These exercises are based on what I learned from Carmine Caruso in 1978 in New York. During the years I developed my own way of doing them for daily routine or preparing myself for difficult work to come.

There are six basic rules to observe:

1. Tap your foot 1+2+3+4+ (tempo about 60 bpm) throughout the exercise, with a clear up and down movement.
The reason is: one muscle controls all other muscles. Because of the foot, these exercises are played sitting.
2. Breathe through the nose only (to ensure that the embouchure doesn't move).
3. Keep the mouthpiece on the lips throughout the exercise. The embouchure shall remain in its position even during the bars of rest, only the pressure can and should be removed, so that the blood circulation refreshes the lip.
4. The first note of each exercise is always played with a breath attack (b), the later notes attacked (t=tongue) or slurred, as indicated.
5. Always, before each exercise and during the bars of rest, breathe out two beats completely (!) and inhale two beats. In the high register the tempo can be reduced while breathing out and in, to avoid hyperventilation.
6. Keep the flow steady, play always at a medium dynamic level.

1. Six Notes

tap your foot
mouthpiece on
breathe through the nose only
2 beats out - two beats in

♩=ca. 60

breath attack

tongue

tongue

breathe 2 beats out - 2 in

repeat without taking
the mouthpiece off

Rest for a short time before playing the "Seconds".
If you are a beginner you might just play the "Six Notes"
once or twice a day for at least a week.

2. Seconds

go as high as possible
in C - Major

2nd setting:

For a specific high-note training repeat the exercise after a short break.
Another variation is to continue after 10 to 15 seconds where you stopped,
because the power did not last, or no sound came out of the instrument.
Always complete the interval you started to play, even if no sound comes.
Thus you prepare the muscles to play these notes maybe tomorrow or later on.

3. Harmonics

In this and the following exercises go as high as you were able to go with the seconds

4. Chromatic Pedals

Only in this exercise is the breathing normal.

as low as you can go,
up to three octaves down
see fingering chart on page 8

Group B

$\text{♩} = 50$

B2

The musical score for Group B, B2, consists of seven staves of music. Each staff is in treble clef with a common time signature (C). The music begins with a mezzo-piano (*mp*) dynamic marking. The notes are as follows:

- Staff 1: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 2: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 3: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 4: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 5: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 6: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).
- Staff 7: C_4 , D_4 , E_4 , F_4 , G_4 , A_4 , B_4 , C_5 (half note).

Each staff features a long slur over the notes, indicating a continuous melodic line. The notes are written in a style that suggests a specific fingering or articulation, with some notes having a small 'x' or 'y' above them. The score is printed on a single page with a white background.

$\text{♩} = 56$

First staff of music for 'The Rose Tree'. It begins with a treble clef, a common time signature (C), and a tempo marking of $\text{♩} = 56$. The melody starts on a half note G4, followed by a quarter note A4 with a sharp sign, then a half note B4. The next measure contains two eighth notes, C5 and B4. This is followed by two measures of quarter notes: C5 and B4, then A4 and G4. The final measure of the staff contains a half note G4. A dynamic marking of *mp* is placed below the first measure. A long, thin wedge-shaped line spans the entire staff, indicating a gradual crescendo or decrescendo.

[illegible]

C3

The first staff of music is in treble clef with a common time signature (C). It begins with a mezzo-piano (*mp*) dynamic marking. The melody consists of a series of eighth and quarter notes, starting on G4 and ending on a whole note G4. A long slur covers the entire staff.

[illegible]

The first staff of music is in treble clef with a common time signature (C). It begins with a mezzo-piano (*mp*) dynamic marking. The melody consists of a series of eighth notes: G4 (one sharp), A4 (two sharps), B4 (three sharps), C5 (four sharps), D5 (five sharps), E5 (six sharps), F#5 (seven sharps), G5 (natural), A5 (natural), B5 (natural), C6 (natural), D6 (natural), E6 (natural), F#6 (natural), G6 (natural), A6 (natural), B6 (natural), and C7 (natural). A long, sweeping slur covers the entire melodic line. The staff concludes with a repeat sign and a fermata over the final note.
